**Subject:** topics for OWOW biweekly

Hi Patrick,

Here are some topics from OWCD in addition to what you had. Let me know if you need more. Nothing on WOTUS as John and I are meeting with Dave prior.

404g

- FL - Assuming Dave has been in contact with Region and OGC on outstanding issues. FL is waiting on EPA input.
- Rulemaking – meeting with associations to plan for state in-person meeting. Likely to shift to November
- State assumption interest – We will be meeting with IN on October 10 to discuss their legislation; OR is in discussions with the Region; AZ held a public meeting on 10/2 and we will hear feedback from R9 who listened in

401 cert next steps

Cargill next steps to have Donna review OGC's draft

VIDA/VDRA legislation

- Watching to see what happens with legislation; assuming passage, we will want to meet with Lee/Dave to discuss next steps – staffing, resources, rulemaking

OCIR Quarterly Meeting on 10/10

- Just a reminder about the meeting. John will present on WOTUS, 401, 404c and 404g. We want to spend the most time on 404g with this group
- Plan to meet with Big 10 after we propose step 2 as part of our general outreach

Seven Hills

- Would like to brief Lee Oct. 15/16. Note, Tim L is out next Wed-Friday and we'd like him to brief.

Mitigation Rule – any direction for team?
